1	VESA Mounting Plate	2	VESA Mounting Bracket
3	Screws		

VESA Bracket

1 Remove the middle button on of the side plate on your thin client that has three mounting holes.

> **NOTE:** Only one side plate has three mounting holes.

2 Place the VESA mounting plate on the thin client’s side plate chassis and insert the screws to secure the mounting plate to the thin client.

3 Insert the screws to secure the VESA bracket.

NOTE: The VESA mount above is secured to the back of a monitor. Make sure the mounting bracket is secured as shown above.

4 Slide the VESA mounting plate attached to your thin client onto the VESA mounting bracket.

Mounting the VESA Bracket to a Wall

WARNING: Before beginning, turn off the thin client, disconnect the AC adapter from the electrical outlet and the thin client, and remove any other external cables from the thin client.

WARNING: Before installing your thin client in an enclosure, read the safety instructions that shipped with your thin client.

CAUTION: Use a wall that supports at least 20 lbs. (9.1kg) of weight. Use appropriate mounting hardware depending on wall material (hardware not included).

1 Insert the screws to secure the VESA mounting bracket to the wall.

2 Slide the VESA mounting plate attached to your thin client onto the VESA mounting bracket.

WARNING: Before mounting the chassis to the wall bracket ensure that none of the vents are blocked on the system.

Getting Help

Contacting Dell

For customers in the United States, call 800-WWW-DELL (800-999-3355).

NOTE: If you do not have an active Internet connection, you can find contact information on your purchase invoice, packing slip, bill, or Dell product catalog.

Dell provides several online and telephone-based support and service options. Availability varies by country and product, and some services may not be available in your area. To contact Dell for sales, technical support, or customer service issues:

1. Visit **support.dell.com** and verify your country or region in the “Choose a Country/Region” drop down menu at the bottom of the page.
2. Click “Contact Us” on the left side of the page. Then select the appropriate service or support link based on your needs.
3. Choose the method of contacting Dell that is convenient for you.
